Fruit salad for the choir

for mixed choir, piano and fruit

Liesbeth Decrock (°1990)

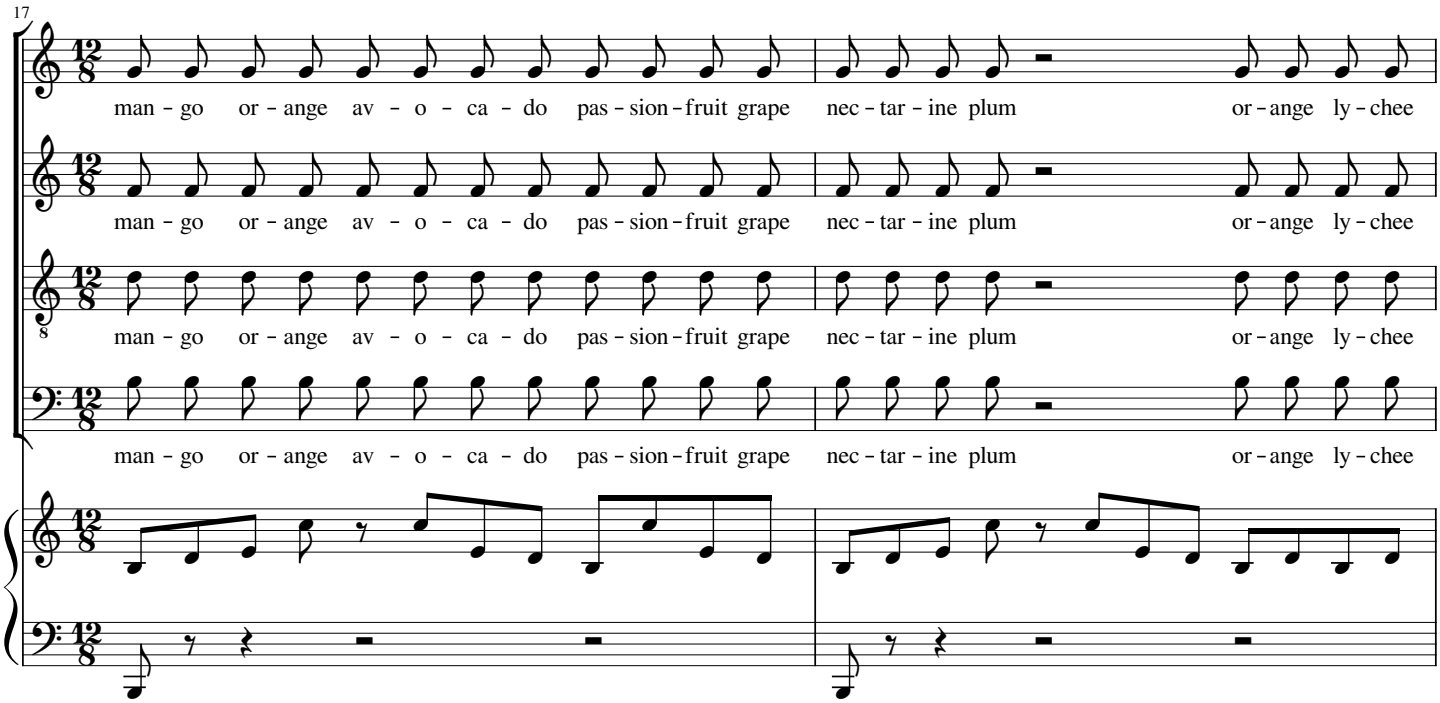

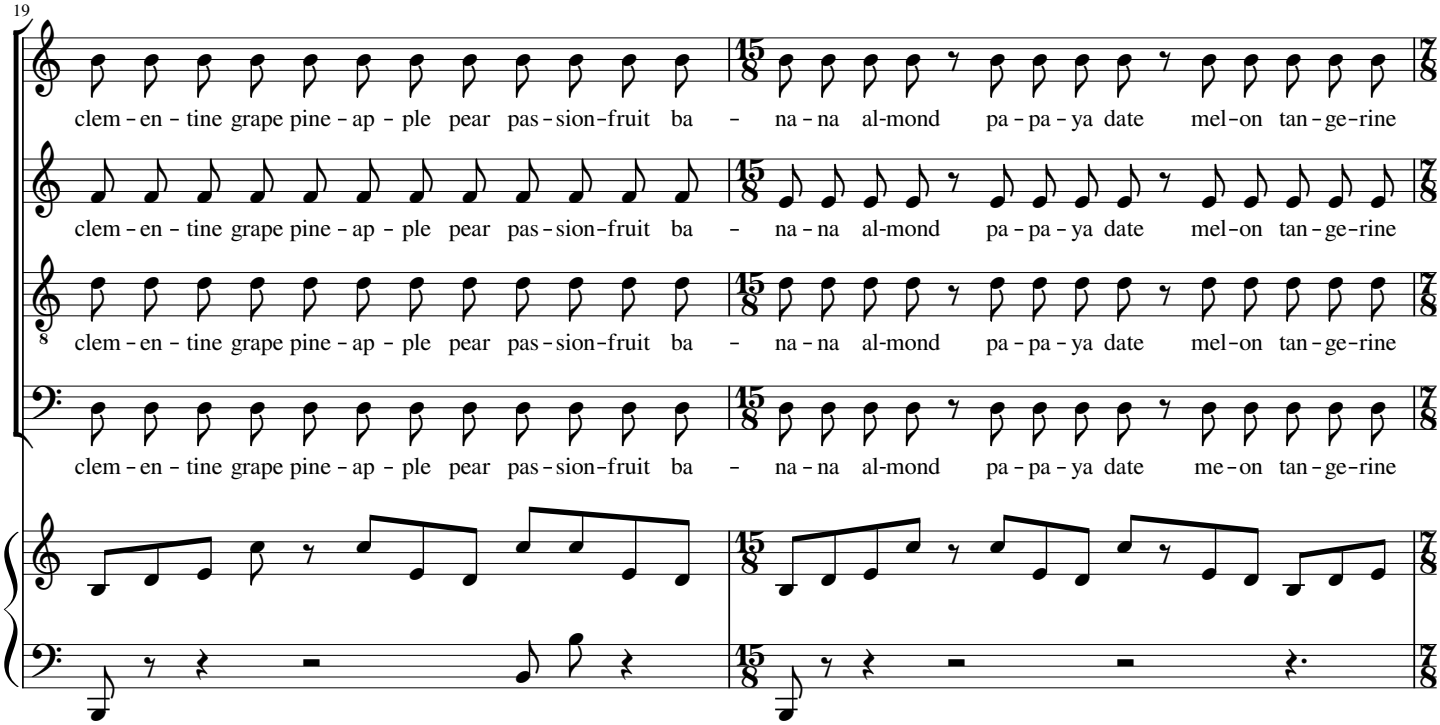

With permission of text poet and composer, this score may be published within the framework of the activities of Koor&Stem vzw to promote Flemish choral music. The digital version may be downloaded and shared for non-commercial purposes without permission in writing by Koor&Stem vzw, the text poet or the composer. The name of the text poet and the composer must always be mentioned on the score. However, permission to arrange, translate, record and perform must always be obtained in advance from text poet, composer or the cooperative company SABAM (Belgian Society of Authors, Composers and Publishers, www.sabam.be).

Stop passing fruit around.
Whoever has the bowl of fruit, calmy empties his mouth.
The piece ends when this person finishes eating.
